

2010 CWCS Webinar Series

Coventry Workers' Comp Services will be hosting a series of webinars in the coming months. Below is a list of the webinars currently scheduled with more being added in the coming months. Be sure to mark your calendars and check back soon for registration details. For more information, please email webinars@cvty.com

Pharmaceutical Compounding

Date: October 14, 2010

Time: 11 am PT/ 12 pm MT/ 1pm CT/ 2 pm ET

Join us as Sarah Titone, PharmD. RPh, examines the use of compounding in the pharmacy industry. Topics covered throughout the webinar include outlining the purpose of compounds, providing clarification on which drugs pharmacists and pharmacies *can* compound versus *should* compound, giving a description of current compounding regulations, and examining the cost effects of compounding.

The Impact of Comorbid Conditions on Workers' Compensation Medical Costs

Date: November 17, 2010

Time: 11 am PT/ 12 pm MT/ 1pm CT/ 2 pm ET

As the prevalence of comorbid conditions continues to rise, it provides a challenge to workers' compensation payors who continue to face pressure to reduce rising medical costs. This presentation will explore the effect comorbid conditions have on workers' compensation claims and some proposed solutions to help mitigate their impact.
